## Editorial

The New Year has extracted several resolutions from the Playwickian stall. The most important of these is the resolution to produce the paper regularly! To accomplish this we have adopted several new ideas.

A box will be placed in the hall for any contributions which the students wish to make for the PLAYWICKIAN. These may consist of jokes, stories, articles about the school, poems or literary work of any sort attempted by the student.

For this idea we owe our gratitude to the staff of the "Blue and White," Newtown High School's paper. Incidentally the "Blue and White," is an excellent piece of work. However the members of the Playwickian staff are sure, that with the proper cooperation on the part of the student body, they can put out a paper just as good, if not better.

A new column appearing in this issue is a list of last years graduates the work they are doing at the present time, whether at school, college, vocation or at home. We trust you will find this interesting.

By the way, as this is the start of a New Year, let's make it a bigger and better year for our School, both in athletics and Scholastics. Let's Go!

## THE SENIORS.

The Senior Class Play was quite successful and we hope that all enjoyed the two-one act plays as well as one of three acts. We extend our heartiest thanks to Miss Wildman, our coach, and all the patrons who contributed in any way. Now that the play is over the Seniors have become studious once more.

Madaline Griffin and David Paul took leading parts in the dedication of Elm trees held on the School grounds on December 17, they will be exempt from their oration which must be given by every member of the Senior Class before the assembly sometime during the year.

The Seniors have given way to the Juniors who will now take up the literary programs. It is hoped that theirs will be as interesting and entertaining as those prepared by the Seniors.

Just four more months and the Senior class will be on its way to Washington. We are sorry we will not be able to take the Freshmen with us. No definite plans have been made as yet but the matter is being given careful attention. Our President Frank Stradling has written to several schools asking information regarding transportation but no response has been made.

The Seniors believe on looking ahead. Their Year Book is well under way. The staff has been elected, with David Paul as Editor-in-Chief. Several members have been assigned specific work to do.

We hope this book to be the best Year Book ever published by a Senior Class of Langhorne High School. Everyone is asked to put in their subscription early.

The Juniors are advised to make preparations for their's at an early date next year if they expect to compete with ours.

Mr. Thomas has been very considerate about us. He has decided to give us our final examinations in Literature this coming Friday, while it is fresh in our minds.

A Senior Prom! That is what we are talking about and we are hoping that it will develop into a reality. Anyway it doesn't do any harm to try.

\* \* \* \* \*

Thursday afternoon, December 24, the whole school assembled for the Christmas entertainment given by the Junior Class with the exception of two Sophomores, Jesse Daugherty and Betty Griffin who gave humorous recitations.

The program opened with Walborn Miller as Master of Ceremonies. He gave the Bible reading first. Then three carols were given by the Glee Club. Katherine Kinsella and Marion Johnson respectively, entertained us with piano solos, Ruth Comly with a recitation, and a sextet of girls consisting of Myrtle Fawcett, Lillian Patterson, Christine Lees, Ruth, Comly, Elizabeth Lake, and Mary Keim. Jacquelyn Roberts sang "There's a Song in the Air," accompanied by Lillian Patterson. The real treat of the day was the boy's quartet. "Bunny" Brunner, "Joe" Downing, "Vin" Mather and "Skenzy" Davis, acquitted themselves of such melodious and dulcet tones, that the audience were fairly carried away.

The assembly ended with a few remarks from Mr. Thomas ??

### JUNIOR CLASS NEWS.

At the last meeting of the class of '33, the two committees, who were appointed to elect the students for the Student Council, announced their decisions and Muriel Dickens and Dudley Miller were selected to fill the office. The Juniors, who were to take part in the Christmas program were also appointed.

What's the matter Juniors? Only three people begin excused at 3E. Aren't you all studying as hard as you might?

### SOPHOMORE CLASS NEWS.

The Sophomore class has received their pennants and has gone to the zoo, two great achievements. The zoo trip was thoroughly enjoyed by not only the Sophomores, but a few stray Seniors and Juniors and (the audacity of some people's children--even a Freshman!) However, in spite of all these handicaps we had a good time. Mr. Beck was in excellent mood, due to the recent arrival of a new member of his family. After visiting the zoo the class went to the Aquarium and then to the Academy of Natural Sciences.

### FRESHMAN CLASS NEWS.

The Freshman played the Sophomores at football, but the Sophomores won by a score of 39 to 0. The Freshmen haven't played the Soph's in soccer yet.

The Seniors held a poster contest and four prizes were taken by Freshmen. Howard Cortis won first prize, David Haimbach and Gladys Ferrers won the two second prizes and Walter Roberts took one of the ~~third~~ prizes.

The Freshman class meets once a month. At our December meeting "Rabbit" Maitha was sent out of the room for vetoing a motion for a Freshman Basketball team. The motion was voted down.

### TREE SERVICE HELD.

On Dec. 17th a celebration of the bicentennial of Washington's birthday was held at the Langhorne High School, under the auspices of the Langhorne Sorosis. This bicentennial, which began Armistice Day and will last till next Armistice Day, will be used to plant trees in honor of "The Father of Our Country."

Due to adverse weather conditions, the exercises which were scheduled to be held outside, were presented in the auditorium. Mr. Thomas, in his welcoming address, expressed a willingness to receive visitors who were interested in the school.

The "Salute to the Trees," by Van Dyke, was read by David Paul, followed by a reading "Our Tree Friends" of Beebe's by Madline Griffin. Joyce Kilmer's "Trees" given by David Paul preceded Mrs. Allison's short address. Truth and Courage were pointed out as the outstanding qualities of Washington's character, and it was deemed that the elm trees, given by Sorosis, would be named accordingly. Mrs. Tombe and Mrs. Pickering added a few words to Mrs. Allison's address.

The exercises were brought to a close by the singing of a musical version of Joyce Kilmer's poem "Trees."

### New Year's Resolutions.

The Langhorne High School highly resolves that in the year 1932:

Bunny Brunner and Harold Paxson stop talking baby talk.

Jack Christine gets a shave.

Naye Webb stop going around with dissolute characters.

Skensy wear colors less dashing and loud.

Edward Brady and Charles Brudon Grow up.

E. E. Boyd stops wearing suspenders.

"Mad" griffin stop chowing gum in class.

Paul Markely act his age.

Senior boys make Junior boys give them their seats in assembly.

Freshmen keep quiet in Study hall so that the other classes may study.

Betty Griffin stop looking at Tim Harrison in assembly.

Adams gets a new car.

The Bucky Brothers develop bass voices.

The girls wash their faces and remember that cosmetics cover a multitude of sins.

Bill Paul stop drawing pictures in study hall.

Hilda Kolb remember that she is a dignified Senior.

The Playwickian put out more than one issue before June.

## SCHOOL ACTIVITIES

Well, well, well---the Senior play is over and now maybe the Seniors will work once more.

The boys have started basket ball practice and have won two games. The girls intend to start soon. Come on girls--let's have a good team for a change.

Senior Literarys are over and the Juniors have started having charge of assembly. The Seniors have had good literarys,--wonder if the Juniors can beat them. Let's try!

Football games are over---seems funny not to go to a game on Fridays, doesn't it? But cheer up! Basketball days are here and don't forget boys--we want the Championship again.

Here we are back to the old grind again after our long vacation. We only wish it had been longer. Now that we are settled once more we hope the clubs bring forth something good. We expect big things from them, especially the dramatic club. Let's make the clubs something our school can be proud of in years to come.

To change the subject what did you think of our "Mills Brothers" at the last Literary? They were great and we hope to hear from them soon again. Let's have some more music boys!

Captain of Basketball

Jack Christine

The basketball team had a meeting and Mr. Beck explained the requirements of the basketball captain. He must be a senior for one thing. He must also have lots of basketball experience.

Frank Stradling was therefore elected as filling the position most capably.

Give him a great big hand folksies for he's due for great big things this year. He started off with a "bang" in the Southampton game. He got eight scalps for the Playwickians and a free "crack" on the head which he made.

The varsity quintet consist of: -

First Team

Second Team

Capt. Frank Stradling-Right Forward	Earl Brunner-Right Forward
Vincent Mather-Left Forward	Joseph Downing-Left Forward
Lorenze Davis-Center	Jack Christine-Center
George Adams-Left Guard	John Banko-Left Guard
David Paul-Right Guard	Paul Johnson-Right Guard

The Langhorne High School Basketball Team last year won the Championship of the league. We hope that you will give them plenty of support so as to duplicate the feat. Please attend our games and give us your whole hearted support.

Langhorne vs. Southampton Fri. Dec 18  
by Jack Christine

Langhorne opened, officially, her basketball season by decisively defeating Southampton in their new "gym". They are the "newcomers" to our league and so far they have not met with much success. Having been defeated badly by both Morrisville, in their first game, and Langhorne in the second. Both teams, Langhorne and Morrisville, have won their game just short of one field goal, or two foul shots, of doubling Southampton's score. Southampton however played very well for not having had a team for several years.

At the end of the first quarter the score was tie, 9-9. Langhorne just couldn't "click" in the way they did when the team won the Championship of the league last year.

However the 2nd quarter and particularly the 2nd half, Langhorne was constantly on the offensive and soon piled up a score. Final score was 48 to 25.

The lineup was:-

<u>Position</u>	<u>Name</u>	<u>Field Goals</u>	<u>Foul</u>	<u>Shots Made</u>
Center	L. Davis	7		1
Guard	G. Adams	0		0
Guard	David Paul	0		2
Forward	V. Mather	2		2
Forward	F. Stradling	8		1

Substitution in First Half:-

Forward	J. Downing for Mather	1---0
Guard	J. Christine for Paul	0---0
Guard	P. Johnson for Adams	0---0

Substitutions in Second Half:-

Center	J. Christine for Davis	1---0
Guard	J. Banko for Adams	0---0
Forward	J. Downing for Stradling	2---0

## LANGHORNE vs LANGHORNE MUSKETEERS

Two close games were contested by Langhorne and the "Musketeers" in the past week. The "Musketeers" have former Langhorne High School Stellar men who are the main support of the team. Former Capt. Nick Rice plays running guard. He's not so hot since he left High School. We think he's burnt out. Also Nick's big brother Steve plays on the team with Jess Hibbs and Bob May and Big and Little Bondie. Ed Camby plays too. "Rick" Reed is coach and manager. Call him up for any games. The final score for the first game was 28 to 30 favor of the "Musketeers". The second game was 33 to 29.

## WYNNEWOOD A. C. vs LANGHORNE 2nd

Wynnewood A. C. came up to Langhorne to play on Wednesday after Christmas. They came up to play the Varsity but as only one varsity man was present they played the seconds. At the end of the first quarter the score was 8 to 8. At the half 18 to 15. At the 3rd quarter 30 to 16, and the final whistle the score was 43 to 28.

They are to play us again later, that is, the Varsity.

These fellows by the way were exceedingly clever in handling the ball. They kept the ball off the ground and away from us almost at will. The high school squad would do well to copy from them.

The seconds got some pointers from them that will be useful.

## BASKETBALL SCHEDULE FOR VARSITY :

Jan. 5	Langhorne at Bristol
8	Falls at Langhorne
12	Langhorne at Jenkintown
15	Langhorne at Bensalem
19	Morrisville at Langhorne
22	Langhorne at Yardley
26	Southampton at Langhorne
Feb. 2	Open
5	Langhorne at Fallsington
9	Open
12	Bensalem at Langhorne
16	Bristol at Langhorne
19	Bryn Athyn Academy
22	Yardley at Langhorne
26	Langhorne at Morrisville

## BASKET BALL SCHEDULE FOR JR. VARSITY

Jan. 5a	Langhorne at Bristol
8	Falls at Langhorne
12	Langhorne at Jenkintown
19	Morrisville at Langhorne
Feb. 5	Falls at Langhorne
16	Bristol at Langhorne
26	Langhorne at Morrisville

We wish to impress on the minds of the people of the school and our outside following which attend the games, the hardship which our basketball team undergo in order to play together and to represent our school, in the Lower Bucks County League, so magnificently.

The first and biggest draw back of course is our not having a gymnasium. A "gym", of course, builds up wind and stamina. We are now practicing in Gartner's Casino, Lower Parkland. This hall is not heated adequately and is very dirty, being exceptionally hard to keep clean. These are also drawbacks. The hall is about four miles from the school. Fellows with cars must necessarily take the others. Some walk home if they live in South Langhorne.

We think that if we had a gym, we would be undoubtedly more outstanding in sports and scholastic activity.

### LANGHORNE vs BRISTOL (Varsity)

Anyone who saw the game at Bristol on the fifth knows what the people who were not there missed. This game rivaled that of the Championship game last year between Bristol and Langhorne at Bensalem, the neutral floor. There were the same two extra three minute periods identical to last years Championship game.

The spectators were certainly thrilled when Capt. Frank Stradling made that side-arm shot from the left corner, which did not even touch the rim of the basket, thereby making the score 23 to 22 in our favor. Soon after Mather sunk a goal and this made the score 25 to 23 as Bristol made good a foul shot. Frank then sunk a foul shot to make the score 26 to 23.

At the end of the game the score was 17 to 17. During the two three minute periods the score see-sawed in Bristols favor and then in Langhorne's.

Mather was high score with 5 field goals and 1 foul shot, a total of 11 points. This is Vin's first year with the Varsity and he is doing very nicely. He also has another year to play.

The line up was;	Field goals	Fouls
Right Forward--Stradling	3	3
Left Forward---Mather	5	1
Center-----Davis	3	0
Right Guard----Adams	0	0
Left Guard-----Paul	0	0

No substitutions

Referee--Gaston Trenton

### LANGHORNE vs BRISTOL (Jr. Varsity)

This game really resulted in a moral victory for the Jr. Varsity. The reason is that the first time the Jr. Varsityes played together at Bristol the score was 35 to 7, favor the Bristol Jr. Varsity. The second game last season was also won by Bristol, but not by near so high a score, it was 33 to 26. The score this past Friday night the 5th was 20 to 21, a very close game and a very exciting one.

These two teams play again the night the Varsityes play. Come out and see two good games, for the price of one. You wont regret it.

Bristol also had a dance after the games, which is a fine way of helping pay for a gym.

The line up was:	Field goals	Fouls
Right Forward--Miller	0	0
Left Forward---Brunner	3	1
Center---- ----Ruble	1	3
Right Guard----Dougherty	2	0
Left Guard-----Harrison	0	0
Substitutions-1st Half		
Guard-----Johnson	0	0
Substitutions-2nd Half		
Center-----Christine	3

Football season is over. Coach Uncle Charlie Beck now has basketball to worry about.

\*\*\*\*\*

"Coach" tells us he is looking around for two new men to take the places of "Bill" Greim, star forward, and Nick Rice, Captail and L.B.C. guard/ There is a possibility of "Vin" Mather filling the shoes of Greim, but he is a hard man to replace, since he was undoubtedly the nucleus of last years' team. Mather may be remembered as the flashy J.V. forward of the previous year.

The Alumni and school critics don't seem to expect a Championship team since Brunner, Mather's running mate, failed to appear for practice.

## A PIPE DREAM

Arthur Dwight was overwhelmed with bills. The great ocean of debt was beneath him dragging him down to its cozy bottom of slimy hypocritical politeness to creditors.

He struggled as a drowning man might struggle and caught at a thin whisper of a hope to keep him up.

His wife was not out-rageously extravagant; she was normal. So were his nine children, but nine children, however normal cannot be supported for long on a meagre salary when deaths, births and sickness obstinately appear to add to the burden.

The whole family accustomed to a certain amount of luxury and high life lived unwillingly in mediocre Germantown. The schools they went to were good and they must finish their education much as they longed to get out of it all into foreign and exciting places. They were discontented and that added a new nagging worry to the father's uneasiness about money.

Arthur Dwight fought off despair because he knew that if that swamped him he would be lost, and doomed to live for the rest of his life sunk in common place Philadelphia, where the whole atmosphere is so dark that any original spark, which he or his children might strike, would be snuffed out.

As he thought of this a wildly impossible dream came to him. What if he and his family with some congenial and adventuresome friends should run away from it all to cruise the seas in a boat of their own? He dreamed of it, planned it until at times it did not seem impossible to work out of his debt here, live here for three more years, then quit it all forever.

One night he told the family the dream and when he told it he suddenly believed it would come true. He convinced them and their spirits revived and took fort at his own eagerness. They talked of it, worked for it, and combined, worked off their debt because this wild dream of the future gave them courage to go on.

Perhaps it never came true, perhaps in the three more years some of them grew up and married. Perhaps they found careers, or got so sunk in the love for ordinary safe things that the zeal died away. But while it lasted it worked; for while they were eager and worked for it, they worked out of the ties that bound them and conquered despair and circumstances.
