**BLUE TEAM**, right to left: Mary Jean Balderston, 11th grade; Al Gaskill, 12th grade; Carol James, 12th grade; Jim Flanigan, 12th grade; Joanne Abramski, 12th grade; Harry Davis, 11th grade; Barrie Brittingham, 10th grade; John Kurtz, 11th grade.

With wild anticipation the masses are engulfed in a frenzy. Hark! The knights of the blue table led by their bold leader, Gaspipe Valiant, march into the center of the battlements.

Today commemorates the execution of Red Mohn, treacherous crusader against all that is good and noble. It is on this victorious day that Valiant and his people sacrifice a hand-full of Red Rubble.

Magnificent terpsichoreans undulate to the blaring blues of trumpets, which announce the arrival of the doomed. The victims are enveloped in lifeless red, the color of unserviceable blood, assured defeat. Sinners, obsolete animals of the lowest order escorted by man of noble and heaven-like lineage, dressed in robes of unearthly blue. The contrast seen so vividly—blue, symbol of heavenly formations.

Death stalks prey unknown, but with the swiftness of a violent storm. The crowd stands motionless. Alas, the Reds have been cremated and will go on in this way for ages and ages and ages . . .

**Red Rebels Ready to Romp**

**RED TEAM**, left to right: Diane Solvay, 12th grade; Jerry Mohn, 12th grade; Karen Ploeger, 11th grade; Tom Nuss, 12th grade; Claire Zavarich, 12th grade; Fran McCollum, 10th grade; Judy Wunsch, 11th grade; Bunli Yang, 10th grade; Sharon Maloney, 10th grade; Kathleen Roselli, 10th grade.

The modern trend is toward revolution, and never let it be said that the Red Team is reactionary . . . tonight the valiant Red peasants will rebel and rise to victory over their Blue oppressors, the would-be aristocrats of former years. In fair and fun-filled battle the Red will prove that they can and will defeat the Blue on their own grounds . . . The Red's secret weapon is one giant-sized "Dagwood" sandwich: layer upon layer of team-spirit, originality, determination, and versatility, spiced with vim, vigor, and RED-HOT VICTORIES; all contained within the "role" of sportsmanship that Red will exhibit!

Sophomores, juniors, and seniors alike have worked and practiced together to make the events of tonight's FUN NITE a success for the team. The loyalty they've shown is tremendous.

With the time drawing near, and the feeling of anticipation mounting, both Blue and Red show high hopes of winning—there is no doubt that with all their "OOMPH", the RED can't help but come out on top.

**Spiels on the Wheels**

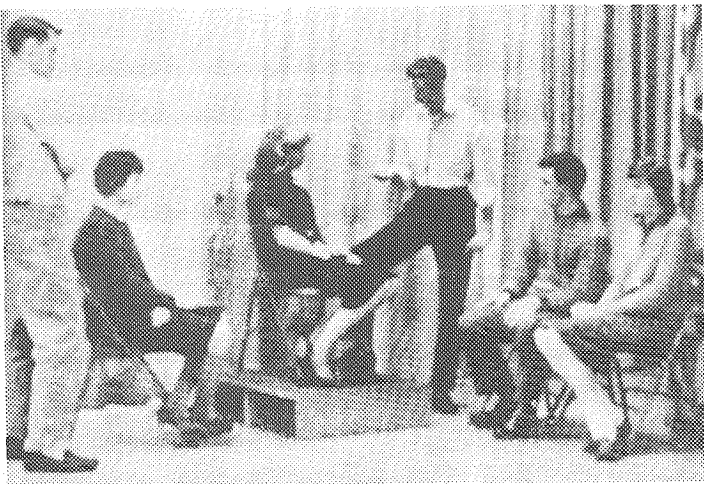

The Playwickian, unfortunately not having enough issues or space for the many Spotlight personalities we would like to feature, takes this opportunity to present to you a "minor spotlight" on all the Senior Fun Nite Captains who have done so much to help make this event a success.

First we have the Girl's Color Captains, Carol James and Diane Solvay. Carol is from Feasterville, enjoys being a senior, and plans to major in math and guidance at Millersville S. T. C. Diane, a young lady from Pennel, enjoys bowling, baton twirling, and dancing. She would like to become an airline hostess, but plans to take a medical secretarial course at Rider College first. On the boy's side of things we have Al Gaskill, Blue Team Color Captain, and Jerry Mohn, Red Team Color Captain. Al, who lives in Feasterville, plans to enter college to major in aeronautical engineering or physical education. He feels that the friendliness and spirit of both the student body and teachers are two things he likes best about our school. Jerry, a Levittown man, enjoys all sports, likes everything about school and plans to be a chemist after he graduates.

Joanne Abramski, and Claire Zavarich are the people's choice for Fun Nite grade captains. Joanne, resident of Feasterville, plans to go on to teach history in a high school. Joanne feels "the fact that I get out in three months" is the best part about school. Claire, who lives in Langhorne, loves music (all kinds), books (all kinds), and boating (also all kinds). Her big ambition is to win a scholarship to Chatham College. Jim Flanigan and Tom

Nuss. These last two represent the male Senior Grade Captains. Jim is from Feasterville, loves all sports and social affairs and plans to become a teacher at West Chester S. T. C. He enjoys "the teachers, students and their programs." Last but not least is Tom Nuss, at least the tallest man on the totem pole, who is a Langhorne resident. Tom enjoys all sports and most teachers and plans to become an elementary school teacher himself.

### Audience Members Find Themselves "On the Boards"

Friday and Saturday evenings of last week saw the brilliant Junior Class production of Ayn Rand's "Night of January 16." This three act comedy-drama was presented by two full casts of twenty members each. Although this is not an unprecedented event at Neshaminy, never has this procedure met with such success. For those of you who missed the play through some unfortunate accident, here is a brief description.

The entire play takes place in a New York courtroom. Karen Andre, convincingly portrayed by Mimi Frank and Linda Burns is on trial for her life for the murder of her lover, Bjorn Faulkner. Her excellent lawyers are characterized by Tin Timmons and Werner Frenthorp. Nancy Lee Faulkner, the bereaved widow, played by Vivianne Brown and Sue Doyle, seeks to prove that Karen murdered her husband. Throughout the play, many witnesses (too numerous to mention, but nevertheless excellently portrayed) take the stand bringing evidence for or against Miss Andre. A unique facet of this play was the selection of jurors for the trial. Not members of the cast, these people were taken directly from the audience to be present on the stage, and decide on a verdict.

Many, many thanks go to Mr. Rees Frescoln, Mrs. Margaret Tracey, and Dr. William Vitarelli. Without their combined Herculean efforts, the Junior Play of the Class of 1960 would not have been the wonderful smash success that it was.

### The Prez Sez

by Judy Wunsch, Pres.  
NHS' Student Council

During the past month, the Student Council spent most of its energy on the dance which was held on March 7. As we had hoped, many girls flew to trap unsuspecting males. The result was, we hope, pleasant for all. Thanks for your support.

### Summer School? Sounds Real Cool

School isn't quite over with just yet but friends, Romans and things, have you wasted any thought about what you are going to do with that long, vast, glorious, golden summer which stretches endlessly ahead and which also looms nearer and nearer? "Go to school in the summer? On my free time? When I don't have to? Sit down boy, you must have bees in your sunburned bonnet."—But we're going to have dramatics, business, science, electronics, journalism, art, music, history, language and resource courses. "Yeah"? Yeah. And courses in all sorts of areas that you can improve in, such as, reading, writing and arithmetic. "Who needs that stuff?" What do you think we learn all year in school?"

Yes, we do learn some of this stuff during the school year, but these courses add to our knowledge and give us more of a background in the subjects we are really interested in. "Really?" The atmosphere is not half so formal as during the school year and one can get to know teachers and fellow classmates better because of the lack of the usual hustle and bustle. "Go on." There is much more opportunity for individual student attention because of the smaller classes. "When are the classes?" You'll be glad to hear this—studies are in the morning hours only. "Wow" And the program is entirely voluntary "Gosh, when did you say we should register?" We didn't my friend, but the first week in April is the date and if you'll just step right this way . . .

### Chips from the news log

Chloe Dreyer, member of our Senior Class who entered an art portfolio containing varied watercolor, oil, and chalk paintings to the Art Contest held in Gimbel Brother's Store, Philadelphia, has been declared one of the ten finalists in the painting division of this region. Chloe, who was awarded honorary mention and a gold key, is competing in the national competition finals held in New York. The winners of this contest are awarded full scholarships to the Art Institute of their choice. Chloe's portfolio consisted of ten paintings which were done in still life, landscape, and silk screen styles. The paintings were judged by The Director of Art for the City of Philadelphia and members of the Moore and Tyler Schools of Art.

Here's hoping we see Chloe's name in that list of national winners.

### Six Try for Scholarship, Florida Trip

On Tuesday, March 17th the oratorical contest, and dinner for the contestants which was sponsored by the Fairless Hills chapter of the Optimist Club, was held at the William Penn Inn. The club contest was for the purpose of selecting a Neshaminy boy to represent this organization in the zone contest at the Buck Hotel on April 27. Six boys from Neshaminy participated in the contest. They were Richard Boerckel, Wayne Clickner, John Clift, Bill Heilbrun, Frank Karwoski, Bunli Yang and Norman Zinger.

The contest was a four to five minute memorized speech on "Optimism." Three trophies were awarded as prizes. The top prizes from the international contest will be a \$1000 scholarship and three \$500 scholarships plus the free one week trip to Florida for the contestants.

### Interesting Trends at Career Conference

The Neshaminy Career Conference held last March 11 during the 6th and 7th periods was, speaking in plain terms, a rousing success. The forty-nine consultants present at the conference were chosen and contacted by the P. T. A. Guidance Advisory Committee. This committee, under the direction of Miss Staehle, reached members from all over our community to come and inform students as well as clear up any questions they might have had concerning their chosen careers. From actual count it was discovered that areas covering airline stewardesses, nursing and office work were the most popular choices of the girls. Boys favored the Armed Forces automotive work, the Bell Telephone Company and pharmacy. Teaching ranked high for both boys and girls. Students, teachers, and consultants alike enjoyed the informal question and answer periods and felt that this new type of conference marked the beginning of our students' understanding toward the many facets of professions.

### Band News

Next summer the NHS bands—both red and blue—will spend a week at the Pocono Plateau from August 30 to September 4 to prepare for the 1959 football season. The color guards and majorettes will also participate under the supervision of Mrs. Marion Andriotti.

The camp site is complete with a lake, boating and swimming facilities, two football fields and provisions for all other sports.

Emphasis will be placed on the basic elements of precision marching and drilling. A few of the season's half time shows will also be worked out.

The people enrolled in the band for next year, but who can't attend the camp for some reason will be used as marching substitutes for the early part of the season.

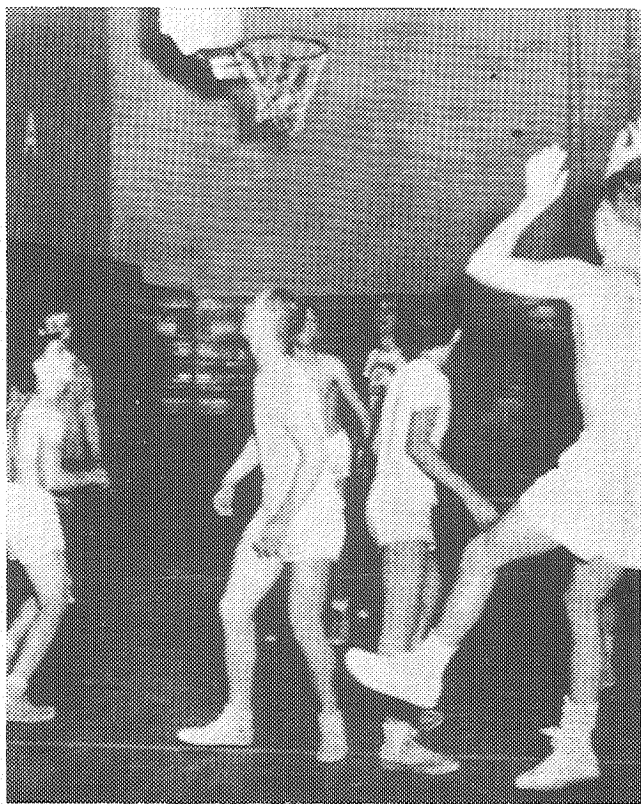

The project is being sponsored and financed by the Band Booster Association.

## Diamondmen Return Loaded With Power

Hopeful aspirants for baseball reported for the first practice on March 2. There was quite a large turnout, especially from the sophomore class. Mr. Gerst is pleased with the turnout. He is sure that Neshaminy will take the trophy this year. We have lost only 3 varsity members from last year's squad. They were Bob Potochney, Tom Stricker, and Bob Christian. They can be replaced, so the team is in good shape. Returnees from last year's squad include; Rich Simons, Earl Patterson, Jerry Kane, Bob Zehner, Jerry Buttrey, Vince Seravo, John Herold, Al Gaskil, Dan Maloney, Herb Cummings, and Henry Dunn.

## Sons of Mercury Flash Heels

This year Mr. Hermanson is entering his annually large track squad in the Bethlehem Relays, the Bridgeton Relays and several out of league meets that were not included last year. He will also enter some boys in the Penn Relays as in previous years.

Helping with the coaching duties are: Mr. Troxell, in charge of sprinters and hurdlers, and Mr. Prizer, in charge of high jump, broad jump, and pole vault. Mr. Hermanson handles the shot put, discus throw, 440 yard dash, 880 yard run, and the 1 mile run.

The weather has been poor, and it has been rough getting into shape. With the first meet coming up on April 3, with Bensalem, we really hope ole' Mother Nature smiles on this reservation.

## Plenty of Competition For Tennis Team

The tennis team will report for their first practice within a week or two. Mr. Pecuch has plans for his boys, which include four matches to date. There is no league for tennis as yet. But the team will not have to worry about lack of competition. The tennis courts by the football field are now a sea of frozen mud. But the school board has approved three macadam courts to be built there this year and three more next year. Mr. Pecuch has also ordered uniforms for ten "Pancho Gonzales" of Neshaminy. There are also plans for a girls tennis team, but as yet, there is no sponsor for it.

## Sports Scoops

by Bob Stankiewicz

Congratulations to the basketball team for their wonderful season. Also, thanks for another true prediction. Nobody believed me when I predicted third or better for our team, but they are not laughing any more. The game with Lansdowne Alden was a well played one, and with a little bit more experience with a bigger court, a bigger crowd, and glass backboards, I think we could have won the game. We can't get a bigger gym, but N.H.S. can come out and support their team. Our population isn't going to fill the Palestra by any means, but one thousand kids in even our gym look better and make more noise than 200. I also wonder why our school doesn't put in glass backboards for the gym. Our metal backboards cannot keep the team used to the qualities of the more modern glass ones.

\* \* \*

Our track team has a busy schedule this season. They have eighteen meets including our own "Invitational Trackmeet." They will also travel to Bethlehem for an invitational meet.

\* \* \*

The Baseball team has approximately fifteen games scheduled to date. These include home and away games.

\* \* \*

Congratulations to the gymnastics team on their recent success at the Neshaminy invitational meet. They took sixteen places in the championship meet. Also congratulations to Mr. Joel Baba for having developed such a good team for its first year as a competitive team. Again, congratulations to a gymnastics league formed in Bucks County.

\* \* \*

Softball intramurals will be held this year as in previous years. They will be starting in two or three weeks, so the boys had better start thinking about getting together on teams.

\* \* \*

Congratulations to the wrestlers who got into the District Tournament. Satch Watkins who made it by the sweat of his brows and Tom Nuss, who was upset, but still managed to go to the District finals. Unfortunately Tom Evans was injured during the Springfield meet and was unable to take part in the post season tournaments.

## Sophomores with Green Thumbs

Mr. Schwalm's sophomore biology classes are now working on their project of putting the new greenhouse in working order. They reconditioned an old wheelbarrow they found in the woods and brought good top soil from the creek valley. All the students participated by bringing in flower pots and seeds. Within a few weeks each student will be raising a plant of his own.

## NHS'ers Participate in County Music Festival at Tennent

The ninth annual Bucks County Music Festival was held at William Tennent High School on Friday and Saturday evening, March 6 and 7. Along with Neshaminy, eleven school districts participated.

The program began with the Star Spangled Banner by the orchestra and audience. After the introductory remarks the orchestra played four numbers beginning with Serenade and ending with Rumanian Rhapsody. Fourth on the agenda was the Junior High Chorus singing six songs: the first one Ave Verum, others: Come To The Fair, Catch a Falling Star, and I Wish I Wuz.

Following an intermission the orchestra again performed. This time doing three numbers: Tarentelle, In A Monastery Garden, and Finale. The Senior High Chorus was next and did a very nice job with seven different tunes. Three of these being: Almighty God of Our Fathers, I Got Rhythm, and The Creation. To top off a splendid performance the orchestra and Senior High Chorus joined together to present God of Our Fathers.

Neshaminy is proud of the following musically inclined people who performed in this festival. Orchestra members who participated were: Susan Colodney, John Croiter, Gordan Hershey, Carl Jordan, Dorothy Riggs, Clifford Campe, Margaret Hershey, Anita Silverman, Susan Jack, Susan Schull, Trudy Shean, Vail Pryor, Eleanor Mazurek, and Barbara Gross. Senior High Chorus members were: Linda Fiscel, Nancy Van Sant, Linda Burns, Harry Barber, James Flannigan, Edward Slaughter, Dennis Benton, George Nahm, Robert Kohler, and Andrew Passerell.

## Wrestling

Neshaminy sent eight wrestlers to the LBCL Tournament at Delhaas. Don Bockhorn, Ernie DeAngelis, Bill Jones and Captain Tom Nuss reached the semi-finals, but only Bill Watkins remained when the finals were held that night. Watkins was defeated by Ray Hayworth of Pennsbury 2-1 but went to the District Finals at Cheltenham as runner up. He defeated two men at the Districts earning himself a second place medal and a trip to the Regionals.

The Redskins boast three undefeated wrestlers this season in Tom Evans, Bill Jones and Tom Nuss. Captain Tom Nuss and Satch Watkins led the team in points with 41.

## Girls in the Swim For Good 1st Year

Girls Swimming at Neshaminy came into its own this year as a Varsity sport. For the first time dual meets with other high schools were scheduled. The results showed the hard work the girls put into practice time. The schedule was as follows:

School	Pts. NHS
Coatesville	37 38
Plymouth	

Whitemarsh	41	34
Lincoln	27	48
L. Moreland	28	47
L. Moreland	33	33
Norristown	50	25

Totals for the season were 3 wins, 2 losses, and 1 tie.

District I, PIAA, held its annual meet at Abington High School on March 7. This year sixteen schools entered teams. Neshaminy placed 10th with 4 points won by Barbara Wichelman who grabbed second in diving.

Letters for swimming are presented on a basis of points won in competition. Swimming is scored much as competition in track or gymnastics. A first place is awarded 5 points, second 3 points, and third 1 point. Relay events are scored 6-3 and 8-4. Varsity girls who gained 18 points during the season were awarded a letter or a second year certificate.

Barbara Wichelman, 54; Joyce Hall, 43; Dana Raimo, 40; Hazel Brunner, 28; Colleen Ireland, 26; Nancy Hostler, 22; Bonnie Shepherdson, 8; Patti Stocker, 3; Darlene Brezzo, 1; Barrie Brittingham, 1.
